

FLIDUM (Flüchtlinge lernen integrativ Deutsch und mehr)
Refugees learn inclusive German and more

FLIDUM

is the new institution established by Seligenstadt's citizens united as "Arbeitskreis Willkommen in Seligenstadt – Ehrenamtliche helfen Flüchtlingen". At this place refugees receive trainings in German language, get support for participation in social life; they are given additional advice for finding apartments and support for sporting activities.

FLIDUM

encourages the refugees' willingness for integration and strengthens the acceptance of Seligenstadt's citizens to actively support this approach.

FLIDUM

is operated by people of Seligenstadt in their leisure time. They don't receive any compensation. We stand for a peaceful cooperation of all people living in Seligenstadt. You are welcome to help us!

FLIDUM

will be officially opened on June 17th, 2016.
However, the following weekly offerings already exist:

► **Mondays, from 10 am to 2 pm**

... Counselling Office – just pass by with your request or concern

► **Mondays, from 5 to 7 pm**

... Coordinators' Hours – visit us to get answers to your questions

► **Tuesdays, from 7 to 8 pm**

... Jobs and More – we help you finding a job or a trainee position

► **Thursdays, 5 to 6 pm**

... Learning German – come by and register for one of our German courses

You are also invited to meet your adviser, to have tea or coffee, to exchange thoughts and get some information. You can do computer guided self studies and improve your knowledge of the German language by using "Easy Speaker".

All diligent students will be granted free WiFi Internet access for your smartphones.

We will offer additional courses after the official opening.
Your teachers will inform you when your course moves into FLIDUM.
You don't participate in any course yet?
Please visit us on Thursdays between 7 and 8 pm for advice.
